

Four Steps

To be congratulated are Ankita, Hasheeta, Mira and Simran of the Four Steps Group 1 Section. They successfully cleared NIOS Class 8. Well done! We are readly proud of you. The children of Four Steps took part in the painting competition at India Habitat Centre on World Autism Day. Their contributions were colourful and enthusiastic. As in every year, Four Steps celebrated Holi with much fun and joy, amidst a riot of colours. Pride distribution is always a time of achievement being realized after hard work. Congratulations and Well Done. Birthday celebrations continue to remain an integral part of Four Steps celebrations. This time, it was Ruitvik's turn to be the focus of cake cutting and birthday wishes. All those who went to see Dabangg at PVR Saket had a great time. It is always good fun to go out with one's friends. A trip to Macdonalds is always exciting and much looked forward to. Summer workshop this time culminated in the play Helpful Tree in which everyone took part. Art and Craft and T-shirt printing as well as dance were some of the highlights of the Summer Workshop this year. Manjari Ma'm did us proud by performing a solo dance at the Akshya Utsav 2013
